Don't let your Storm Drains look like this

# TRIDENT CURB SCREEN

- Helps Reduce Storm Sewer Maintenance**
- Effectively utilize Street Sweeping BMP's**
- Easy to Install**
- NPDES Compliance**

Same day  
Before & After  
Street Sweeping

How much does your City spend on cleaning storm drains and pipes?

The Trident CurbScreen in conjunction with street sweeping will keep your storm sewers clear and help you meet NPDES requirements.

Reports indicate debris costs about \$2 per pound when recovered by sweeper but increases at least 10 fold to remove once in storm drain system
